

Exemplar Session Structure Abstract

Participants will experience the possibilities of badging, as a professional development mastery and incentive program. Then they will be shown the steps for setting up a digital badge program for their own staff. This session includes a demonstration of how our county office uses digital badging as an incentive system for staff professional development.

Session Agenda:

10 mins: Introduction and opening questions from the audience.

15 mins: Demonstration of use of educational badging platforms, such as Alludo and EduBadger.

15 mins: Participants create learning objectives for a micro-credential/digital badge.

10 mins: Participants create the graphics for a digital badge.

10 mins: Final questions and sharing of online resources.
